

SMS Engineering is an integrated mechanical and electrical consulting engineering firm based in Winnipeg, Manitoba. Since 1965, our firm has successfully completed more than 11,000 construction projects from new buildings to tenant improvement projects in existing facilities including:

- Hospitals
- Correctional facilities
- Computer data centres
- Central energy plants
- Educational institutions
- Large-scale transportation projects
- Pharmaceutical
- Research laboratories

In addition to mechanical and electrical design, our highly qualified in-house specialists offer a wide range of services including:

- Feasibility studies
- Energy modeling
- Preliminary costing
- Design alternatives
- Concept & detailed design & commissioning
- Energy audits
- Indoor air quality assessments

Recent projects include:

- The 2013 ACEC Manitoba Keystone Award Winning James Armstrong Richardson Winnipeg International Air Terminal Building. Also included in this airport campus redevelopment project are a parkade, central energy plant and Greyhound Bus Terminal as part of the airport campus redevelopment project.
- The University of Winnipeg's Richardson College for the Environment – 2013 ACEC Manitoba Award of Merit Recipient
- Health Sciences Centre Redevelopment - Ann Thomas Building
- The Winnipeg Humane Society
- Victoria Hospital Emergency Addition & Renovation
- Polo Park Shopping Centre Redevelopment and Addition
- University of Manitoba ARTLab and Pembina Hall Renovation Projects
- Richardson Building Concourse Redevelopment
- Investors Group Field
- Canadian Museum for Human Rights
- Assiniboine Park Zoo Redevelopment
- Misericordia Health Centre Redevelopment
- Health Sciences Centre Central Energy Plants

SMS Engineering's third and fourth-generation ownership group is active in day-to-day activities including eleven partners:

Ian Kelly, P. Eng., LEED® A.P., Mechanical Engineer, Principal
Helmut Waedt, P. Eng., Mechanical Engineer, Principal
Peter Gryc, P. Eng., LEED® A.P., Mechanical Engineer, Principal
Chris Hewitt, P. Eng., C. Eng, MIEE, LEED® A.P., Electrical Engineer, Principal
Stirling Walkes, P. Eng., LEED® A.P., HPBD, Mechanical Engineer, Principal
Wayne Armstrong, CCCA, LEED® A.P., Mechanical Contract Administrator, Partner
Allan Baskin, P. Eng., LEED® A.P. BD+C, Mechanical Engineer, Partner
Chris Ott, P. Eng., Mechanical Engineer, Partner
Jeff Horrocks, P. Eng., LEED® A.P., CEM, MBA, Mechanical Engineering, Partner
Gord Whiffen, P. Eng., LEED® A.P. BD+C, Electrical Engineer, Partner
Scott Hammond, P. Eng., LEED® A.P., Mechanical Engineer, Partner
