Young Professionals Committee

Summer's winding down and it's getting chillier in the morning! For some of our readers, this means back to school, but for most of us, it means back to school traffic! This month's issue of the Association of Consulting Engineering Companies – Manitoba (ACEC-Manitoba) Young Professional Committee's newsletter is a short one, but, just like the roads will be on September 4, jam packed (with event announcements, not cars).

Please join our LinkedIn® group to get updates on group events, participate in or start discussions, and connect with other young professionals in consulting engineering, and continue to forward this to the young professionals in your office!

Enjoy the rest of your summer!
