2015/2016 Mentorship Year

Registration Open for the 2015/2016 Mentorship Program!

The ACEC-MB Mentorship program pairs University of Manitoba Engineering students with industry professionals, giving students an opportunity to better understand the consulting industry. It is a great opportunity to give back, gain volunteer (or continuing development) hours, and have an impact on a future engineer's career.

Mentor recruitment has launched for the upcoming year and we invite you to visit [ACEC-MB](#) for more information or to access the mentor application [form](#). The program is open to any employee of an ACEC member firm, regardless of background or discipline. All mentor applications must be received by **[October 16, 2015](#)**. For additional information please contact us at mentorship@acec-mb.ca.
