## PD Event: Succession Planning and Multi-Generational Workers

The ACEC-MB Professional Development Committee is proud to present two must-attend interactive courses led by Legacy Bowes Group on Succession Planning (Morning) and Multi-Generational Workers (Afternoon).

When: **Thursday May 19, 2016**

Morning Session: 8:00am – 12:00pm

Afternoon Session: 12:30pm – 4:00pm

Location: Winnipeg Construction Association,  
1447 Waverley Street

### Course Description:

#### **Succession Planning**

According to the Canadian Federation of Independent Business only 10% of SME owners in Canada have a formal succession plan. With baby boomers leaving the workplace, this is risky business. Attend this workshop and learn strategies to ensure how to integrate succession planning into every step of your business.

*Facilitator: Barbara J. Bowes*

#### **Multi-Generational Workers**

Today's workforce is about Generations. 4 to be exact! From experienced boomers to the

new millennia working adult. Each generation engages in their world with a different set of attitudes, beliefs and commitments. Their working and communication style are opposites. This is not new. Yet, never before has there been a greater variety of opinions, talents and expertise to draw on in the workplace. Your leadership challenge is to embrace and build generational relationships to create the best for your workplace. In this presentation we will identify the workforce generation differences; consider the motivational needs; develop an understanding of generational influences and communications as a means to create positive impact.

*Facilitators: Bill Medd & Robert Presley*

TWICE: Golf Clinic at Pine Ridge Golf Club

Registration Deadline: **Max 30 attendees, register ASAP**

When: **Thursday, May 19, 2016**

Location: Pine Ridge Golf Course

Registration: 3:30pm

Clinic: 4:00 – 7:00pm

Dinner: 7:00pm

Cost: \$50.00 / Person

Join the ACEC-MB TWICE Committee for an exciting event geared towards golfers from all walks of life! We will spend our afternoon with Pine Ridge Golf Course Pro Shane Dick and his staff. Shane will offer advice on the in-and-outs of the joyous game of golf, whether you are just learning to play, or (like most of us), just trying to play a little better, this event is for you! The afternoon will involve informal instruction, demonstrations, and hands-on, small group practice on both your short and long game. After the Clinic, join us for dinner and prizes. This is the ideal opportunity to meet new friends, learn and improve your game, have fun, and enjoy the game of golf!

## EVENT RECAPS

## 2nd Annual ACEC-MB YP Curling Funspiel

On March 24th, Young Professionals gathered for the 2nd Annual Funspiel. The event was once again held at the Pembina Curling Club. This years' event had five teams competing for the prestige and glory of becoming curling champions. The bonspiel was set up in a Bingo Curling format where the rules for scoring each end were not revealed until all rocks had been thrown. The champions received tickets to the ACEC Awards Gala held at The Metropolitan Entertainment Centre on April 6, 2015.

## 17th Annual Awards of Excellence

Congratulations to our member firms who won awards in their categories at the April 6th 17th anniversary celebration of engineering achievements by Manitoba's Consulting Engineering industry. Master of Ceremonies Peter Jordan hosted this spectacular evening where Manitoba's most coveted Awards of Excellence in Engineering were presented along with individual recipients for the Life Time Achievement, Engineering Action and Rising Star Awards. Special thanks to the Awards Committee volunteers,

honored guests, clients, judges and the hardworking individuals who developed the submissions.

## Image Committee: 640

On the evening of Monday, March 21, 2016, ACEC Manitoba held its 3<sup>rd</sup> annual 640 event at the King's Head Pub celebrating National Engineering Month. Over 30 people gathered over appetizers and beer to listen to four speakers give enthralling presentations on a wide variety of topics all while utilizing a very distinctive style, turning the generally dull PowerPoint presentations into something very enjoyable and captivating.

Thank you to Nusraat Masood, Ralph Kurth, Lin Watt and Patrick Campbell for each delivering thought provoking and entertaining presentations. This event was a tremendous success, with hopefully more 640 events to come in the future. National Engineering Month is all about celebrating engineering and with this event we were able to spread the word about the great and fascinating things we do!
