Follow ACEC MB on LinkedIn and Twitter

The Association of Consulting Engineering Companies of Manitoba is on LinkedIn and Twitter. Follow us to stay up to date with all ACEC Manitoba announcements, including professional development opportunities, YP events, important notices, and much more. To join or visit our website, click the links below.

Primary goals include:

- Increasing awareness and interest in university, technical college, and high school students for the possibility of a career in the consulting engineering field.
- Improving the image of the consulting engineering industry to the public and demonstrating the importance and value provided by consulting engineers in society.
- Advocacy and promotion of our industry.

If you are interested in getting involved, please contact Misty Klassen at Misty.Klassen@wsp.com

YP Event Recap

ACEC-MB 4th Annual YP Funspiel

On April 3rd, the Young Professionals Committee hosted its 4th Annual Funspiel Bingo Curling Night. It was a great night

[ACEC-MB on LinkedIn](#)

[ACEC-MB on Twitter](#)

[ACEC-MB Website](#)

out at the Pembina Curling Club with seven teams competing for the top prize. The competition was fierce and in the end, we had a three-way tie for third place that had to be settled in the most cut-throat fashion we could think of: picking a random number between 0 and 100. Awards were handed out at the awards ceremony upstairs over nachos, egg rolls, chicken fingers and beverages.

The results of the night are as follows:

1st Place – Team 3 from Crosier Kilgour & Partners

2nd Place – Team 7 from AECOM

3rd Place – Team 6 from Tetra Tech

In the solo competition, Brennan Sperl from Crosier Kilgour & Partners won “Closest to the Button”.

Thank you to all teams that came out! You are what made the night fun and we hope to see you all again next year.

2017-2018 ACEC-MB Mentorship Program Close-Out Event

The ACEC-MB YP Mentorship committee held a wrap up event for the program on April 11, 2018 at the Hub. The event featured informal networking between professionals and students. All attendees enjoyed good food, great conversation, and excellent networking – and the Jets first playoff game was projected on the big screen!

This event marks the end of the 2017-2018 Mentorship Program. The YP committee would like to thank all of the mentors, students, and organizers that volunteered their time and experience to help make the 2017-2018 ACEC Mentorship Program a success.

19th Annual ACEC-MB Awards of Excellence

The 19th Annual ACEC-MB Awards were held on April 10th at the Metropolitan Entertainment Centre. The event, designed to showcase excellence in engineering in Manitoba over the past year was attended by approximately 270 people across the consulting engineering companies, their clients, and honoured guests.

ACEC-MB is also celebrating its 40th Anniversary as an association. Past presidents of the ACEC-MB Board of Directors were honored on stage at the beginning of the program. The members of the ACEC Canada Board of Directors were also in attendance to show support for ACEC-MB's achievements.

15 projects and 3 individuals were recognized with awards this year. This year's Keystone Award for the top submission was awarded to KGS Group for the Peter Sutherland Sr. Generating Station. The complete listing of award winners in their respective categories is shown below.
